## **NICOLE GALLOWAY, CPA** **Missouri State Auditor**

Honorable Jeremiah W. (Jay) Nixon, Governor  
and  
Members of the General Assembly  
Jefferson City, Missouri

The primary objective of this compilation is to report the filing status for the cities, towns, and villages with an April 30, 2016, fiscal year end, that were required to file a financial report by October 31, 2016, under Section 105.145, RSMo, and 15 CSR 40-3.030, and, when applicable, a municipal court certification under Section 479.360, RSMo, and 15 CSR 40-3.180. The filing status for these 19 cities, 1 town, and 4 villages are presented in summary on page 3 and by individual entity in Appendix A. This compilation is limited to presenting information submitted to our office. We have not audited the reports submitted and, accordingly, do not express an opinion or any other form of assurance on them.

Section 479.362, RSMo, provides that the State Auditor's Office (SAO) notify the Department of Revenue whether counties, cities, towns, and villages have timely filed under Sections 479.359 and 479.360, RSMo. On March 28, 2016, the Circuit Court of Cole County issued a judgment enjoining the SAO from enforcing the addendum provision of Section 479.359.3, RSMo. The SAO will take no action to enforce the addendum provision pending the outcome of the appeal, and will not be transmitting any information related to the addendum under Section 479.359, RSMo, to the Department of Revenue.

This report also includes the updated filing status for cities, towns, and villages that filed at least one of the items (financial report, addendum, or certification) in October 2016, after their filing deadline. The filing status for these 21 cities and 1 village is presented in summary on page 3 and by individual entity in Appendixes B to G.

## Executive Summary

### Executive Summary

Section 105.145, RSMo, requires the governing body of each political subdivision in the state to prepare and remit to the state auditor an annual report of financial transactions. 15 CSR 40-3.030 requires the financial report to be remitted to the state auditor within 6 months of the end of the political subdivision's fiscal year. However, reports due between August 28, 2015, and November 30, 2015, were allowed to be filed on or before December 31, 2015. The State Auditor's Office (SAO) posts individual annual financial reports to its website. A searchable link is available at <http://auditor.mo.gov>.

Section 479.359.1, RSMo, requires every county, city, town, and village to annually calculate the percentage of its annual general operating revenue received from fines, bond forfeitures, and court costs for minor traffic violations.

Section 479.359.3, RSMo, provides that all municipalities file an addendum to the annual financial report containing (1) annual general operating revenue; (2) total revenues from fines, bond forfeitures, and court costs for minor traffic violations; and (3) the percent of annual general operating revenues from fines, bond forfeitures, and court costs for minor traffic violations. On March 28, 2016, the Circuit Court of Cole County issued a judgment enjoining the SAO from enforcing the provisions of Section 479.359.3, RSMo. The SAO will take no action to enforce the addendum provision pending the outcome of the appeal, but has identified entities filing addendums.

Section 479.360, RSMo, requires every county, city, town, and village that operates a municipal court to file, with its annual financial report, a certification of substantial compliance with 9 municipal court procedures. This certification must be signed by the municipal court judge. 15 CSR 40-3.180 provides the procedure to file the municipal court certification. Any county, city, town, or village that does not have a municipal court judge is not required to file a certification.

This report includes the filing status for the 19 cities, 1 town, and 4 villages with a fiscal year end of April 30, 2016, whose financial reports or certifications were due by October 31, 2016. Of the 24 entities, 12 filed an annual financial report and 4 entities filed an addendum. A municipal court certification was required to be filed by 9 of the 24 entities, of which 1 was filed. No counties had to file within the reporting period of this report.

This report also includes the filing status for 21 cities and 1 village that filed at least one of the items (financial report, addendum, or certification) in October 2016, after their filing deadline. Of these entities, 10 filed an annual financial report, 5 filed an addendum, and 14 filed a municipal court certification.
