Honorable Eric R. Greitens, Governor  
and  
Members of the General Assembly  
Jefferson City, Missouri

Section 513.653.1, RSMo, requires law enforcement agencies involved in using the federal forfeiture system under federal law to file a report regarding federal seizures and the proceeds therefrom to the Department of Public Safety and the State Auditor's Office. Although Section 513.653.1, RSMo, only requires my office to receive these reports, my office has compiled the information presented to us by law enforcement agencies. We have not audited the reports submitted and, accordingly, do not express an opinion or any other form of assurance on them, including whether or not an agency is in compliance with the statute. The primary objectives of this compilation were to:

1. Identify the reporting status of law enforcement agencies.
2. Summarize the information reported.

Conclusions regarding compliance cannot be made for law enforcement agencies that did not file a report.

A handwritten signature in black ink that reads "Nicole R. Galloway". The signature is written in a cursive style with a large, looping flourish at the end.

# Compilation of 2017 Federal Forfeiture Reports

## Executive Summary

### Executive Summary

Section 513.653.1, RSMo, requires law enforcement agencies involved in using the federal forfeiture system under federal law to annually file a report regarding federal seizures and the proceeds received therefrom with the Department of Public Safety (DPS) and the State Auditor's Office (SAO). The law provides that the DPS shall not issue funds to any law enforcement agency that fails to comply.

According to the U.S. Department of Justice (DOJ) publication, *Guide to Equitable Sharing for State and Local Law Enforcement Agencies*, the DOJ Asset Forfeiture Program is "a nationwide law enforcement initiative that removes the tools of crime from criminal organizations, deprives wrongdoers of the proceeds of their crimes, recovers property that may be used to compensate victims, and deters crime." Any state or local law enforcement agency that directly participates in an investigation or prosecution resulting in a federal forfeiture may request an equitable share of the net proceeds of the forfeiture. Equitably shared funds must be used for law enforcement purposes, except as noted in the publication, and must increase or supplement the resources of the receiving law enforcement agency. In addition to reporting requirements under state law, there are also various program mandated accounting, reporting, and audit requirements. The U.S. Department of the Treasury also administers an Asset Forfeiture Program for similar purposes and with similar restrictions and requirements.

The DPS compiled a list of law enforcement agencies using information from the Peace Officer Standards and Training (POST) program and the Justice Assistance Grants (JAG) distribution lists, and notified the agencies of the requirement to submit reports if the agencies participated in the federal forfeiture system. The notification also included the federal forfeiture report form developed by the DPS. According to DPS personnel, the list does not represent a complete list of all agencies, but includes all agencies with commissioned officers or drug task forces receiving funding from the DPS.

There are 679 agencies on the DPS list provided to our office. Four cities reported to DPS they did not have local law enforcement in 2017 (see Appendix C). Thus, these agencies were not included in the reporting status. This report indicates the reporting status for reports received by February 28, 2018. The following table summarizes these reports.

Reporting Status	Number	Percentage
Agencies reporting participation (Appendix A)	143	21.18 %
Agencies reporting no participation (Appendix B)	287	42.52
Number of agencies reporting	430	63.70
Number of agencies not reporting (Appendix C)	245	36.30
Total Possible Reports	675	100.00 %

## Compilation of 2017 Federal Forfeiture Reports Executive Summary

---

Of the 143 agencies reporting participation, 4 agencies failed to report to the SAO, and 2 agencies failed to report to the DPS. Reporting details are provided for all reports filed with the SAO, DPS, or both agencies. These agencies are identified on Appendix A.

A total of 287 agencies filed reports indicating no participation in the federal forfeiture system. These agencies are identified on Appendix B.

A total of 245 agencies did not respond and were not required to respond if they did not participate in the federal forfeiture system. These agencies are identified on Appendix C.

We noted reporting inconsistencies between years for some agencies. Five agencies identified on Appendix A did not file a federal forfeiture report for 2016 but reported a beginning balance as of January 1, 2017. Also, Appendix D identifies 10 agencies that did not file a 2017 federal forfeiture report, but previously reported a December 31, 2016, balance.

Conclusions regarding compliance cannot be made for non-reporting agencies. This compilation work is not an audit and as such, no verification was performed as to whether these agencies did or did not participate in the federal forfeiture system.

- A The beginning balance plus receipts minus expenditures does not mathematically agree with the ending balance reported.
- B The beginning balance reported as of January 1, 2017, does not agree with the ending balance reported as of December 31, 2016, as shown in Report No. 2017-031, *Compilation of 2016 Federal Forfeiture Reports*.
- C The beginning balance reported as of January 1, 2017, does not agree with the ending balance reported as of December 31, 2016, as shown in Report No. 2017-031, *Compilation of 2016 Federal Forfeiture Reports*, but agrees with the December 31, 2016, ending balance reported in the agency's revised 2016 report submitted to our office subsequent to release of the compilation report.
- D The agency reported no participation for 2016, as shown in Report No. 2017-031, *Compilation of 2016 Federal Forfeiture Reports*, but reported a beginning balance as of January 1, 2017.
- E The agency did not file a report for 2016, as shown in Report No. 2017-031, *Compilation of 2016 Federal Forfeiture Reports*, but reported a beginning balance as of January 1, 2017.

- I The SAO provided the DPS a copy of the report submitted to that department because the agency did not report to the DPS.
- J The agency was incorrectly reported in Report No. 2017-031, *Compilation of 2016 Federal Forfeiture Reports*, as not participating. The agency had filed a 2016 report which reported a December 31, 2016, ending balance, but this balance was not reported in the 2017 report as a beginning balance as of January 1, 2017.
- K Due to footing errors noted in various agency reports, the total beginning balance plus total receipts minus total expenditures does not mathematically agree to the total ending balance.
