## Findings in the audit of the Potosi Contract License Office

Background	The Department of Revenue has appointed 183 contract agents to operate contract license offices. These offices issue driver licenses; titles for motor vehicles, trailers, and marine craft; and license plates. Contract agents are compensated through transaction-based processing fees. Under a state law which became effective in 2009, the State Auditor may audit contract license offices.
Statutory Compliance	The Potosi contract license office does not always ask customers if they want to donate to the Blindness Education, Screening, and Treatment Program Fund or the Organ Donor Program Fund, or inform customers about the ability to be included in the organ donor registry and to consent to organ donation.
Accounting Controls and Procedures	The Potosi contract license office did not always prepare a Drivers Sale of Information Receipt for the sale of driving records, as required by Department of Revenue official procedures.

In the areas audited, the overall performance of this entity was **Good**.\*

American Recovery and Reinvestment Act (Federal Stimulus)	The Potosi contract license office did not receive any federal stimulus monies during the audited time period.
