Findings in the audit of the Department of Public Safety- Missouri State Highway Patrol's Use of Highway Funds

Background	Missouri state law requires the Missouri State Auditor to examine whether State Highways and Transportation Fund appropriations to the Missouri State Highway Patrol are used in accordance with the Missouri Constitution, which limits the use of these funds to activities related to administering and enforcing state motor vehicle laws or traffic regulations.
Methodology	Audit staff reviewed policies and procedures, financial records, and other pertinent documents; interviewed agency personnel; and tested selected transactions. Auditors also reviewed highway patrol calculations of amounts spent for non-highway activities, and the amounts spent for highway-related activities from other funding sources.
Conclusions	The audit determined the Missouri State Highway Patrol complied with legal provisions related to the use of this funding for the 2016 fiscal year.
