CITIZENS SUMMARY

Findings in the audit of Worth County

| | |
|--|--|
| Prosecuting Attorney's Controls and Procedures | The Prosecuting Attorney has not adequately segregated accounting duties and does not perform a supervisory review of detailed accounting records. The Prosecuting Attorney's office does not always issue receipt slips for monies received. The Prosecuting Attorney's office does not always transmit court-ordered restitution to victims timely. |
| Brush Control | The amount charged for enforcement of brush control was not always calculated accurately, resulting in some taxpayers being overcharged for the service. |
| Additional Comments | Because counties are managed by several separately-elected individuals, an audit finding made with respect to one office does not necessarily apply to the operations of another office. The overall rating assigned to the county is intended to reflect the performance of the county as a whole. It does not indicate the performance of any one elected official or county office. |

In the areas audited, the overall performance of this entity was **Good**.*
