All but two counties, Carroll and Cedar, submitted the required copy of the CAFA report to the State Auditor by the January 31, 2014, deadline, although Carroll County did timely submit its report to the Department of Public Safety (DPS). Five counties submitted the required copy of the report to the State Auditor but did not submit a copy of the report to the DPS as is also required.

THOMAS A. SCHWEICH

Missouri State Auditor

Honorable Jeremiah W. (Jay) Nixon, Governor

and

Members of the General Assembly
Jefferson City, Missouri

As required by Section 513.607, RSMo, we have compiled the 2013 Criminal Activity Forfeiture Act (CAFA) seizure reports submitted to the State Auditor by prosecuting attorneys and the Attorney General. The compilation is limited to presenting information that is submitted. We have not audited the reports submitted and, accordingly, do not express an opinion or any other form of assurance on them. The primary objectives of this compilation were to:

1. Compile the 2013 CAFA seizure information reported.
2. Identify those officials who submitted 2013 CAFA seizure reports to the State Auditor.

Section 513.607, RSMo, requires prosecuting attorneys and the Attorney General to report CAFA seizures for the previous calendar year by January 31, to both the Director of the Department of Public Safety and the State Auditor. Of the 116 potential reporting entities, we received 116 CAFA seizure reports; 114 of these reports were submitted by the required due date of January 31, 2014.

Compliance with Section 513.653, RSMo, which requires law enforcement agencies involved in using the federal forfeiture system to submit reports regarding federal seizures and the proceeds therefrom to both the Department of Public Safety and the State Auditor's office, will be separately reported.

Executive Summary

Compliance with Submitting CAFA Seizure Reports

The State Auditor received all of the total possible 116 CAFA seizure reports from prosecuting attorneys and the Attorney General for property seized during calendar year 2013. All but two of the 116 reports were received by the January 31, 2014, deadline. The following table lists the total number of CAFA seizure reports submitted to the State Auditor for 2013, 2012, and 2011.

Reporting Status	2013		2012 ¹		2011 ¹
By January 31	114	98.3 %	114	98.3 %	95
After January 31	2	1.7	2	1.7	19

Did Not Report	0	0.0	0	0.0	2
Total Possible Reports	116	100.0 %	116	100.0 %	116
					100.0

¹ Includes CAFA seizure reports submitted by prosecuting attorneys to the State Auditor after the annual compilation reports were issued.

Two counties (Carroll and Cedar) submitted the required copy of the CAFA seizure report to the State Auditor after the reporting deadline. The Carroll County report was submitted to the Missouri Department of Public Safety (DPS) prior to the deadline, but was not received by the State Auditor until after the deadline. Both agencies received the Cedar County report after the deadline.

In addition, we contacted the DPS to determine CAFA seizure reports received by the DPS. We determined five counties (Caldwell, Christian, Crawford, Dunklin and Howard) submitted the required copy of the CAFA seizure report to the State Auditor, but did not submit a report to the DPS.

Section 513.607.10, RSMo, states intentional or knowing failure to comply with any reporting requirement shall be a class A misdemeanor punishable by a fine of up to \$1,000.

¹ Includes CAFA seizure reports submitted by prosecuting attorneys to the State Auditor after the annual compilation reports were issued. Reports of 2011 seizures that were received after the annual compilation report was issued did not include the dollar value of seizures; therefore, the 2011 information in this table did not change.

See Appendix I for a list of the 2013 CAFA seizures disposition reported by each prosecuting attorney and the Attorney General.

Compliance with Reporting the Required Information

Section 513.607.8, RSMo, requires prosecuting attorneys and the Attorney General to report the date, time, and place of the seizure; property seized; estimated value of the property seized; person(s) from whom the property was seized; criminal charges filed; and disposition of the seizure, forfeiture, and criminal actions. For the 615 cases reported in the CAFA seizure reports received, the following table lists the required information and the number of cases that reported each required item. Some reports did not include all of the required information; therefore, our compilation includes only the information reported.

This appendix compiles only the information reported to the State Auditor by prosecuting attorneys and the Attorney General. We did not verify this data. In analyzing this appendix, some disparity may result due to different methods used by the various prosecuting attorneys and the Attorney General in presenting essentially the same information. In addition, not all seizure reports included an estimated value of the property seized.

- * One case reported listed a dollar range for the estimated value of property seized. We used the higher value for this report.
- ** The prosecuting attorney refused the case, but the sheriff has not returned the seizure.
- *** A seizure was reported as turned over to the county treasurer for distribution to schools.
