SCOTT FITZPATRICK
MISSOURI STATE AUDITOR

Honorable Michael L. Parson, Governor
and
Members of the General Assembly
Jefferson City, Missouri

Section 513.653.1, RSMo, requires law enforcement agencies involved in using the federal forfeiture system under federal law to file a copy of the federal form entitled "ACA Form - Equitable Sharing Agreement and Certification" regarding federal seizures and the proceeds thereof with the State Auditor's Office. Although Section 513.653.1, RSMo, only requires my office to receive these reports, we compiled the information the law enforcement agencies filed with us. We have not audited the forms submitted and, accordingly, do not express an opinion or any other form of assurance on them, including whether or not an agency is in compliance with the statute. The primary objectives of this compilation were to:

1. Identify the reporting status of law enforcement agencies.
2. Summarize the information reported.

Conclusions regarding compliance cannot be made for law enforcement agencies that did not submit a form.

Executive Summary

Executive Summary

Section 513.653, RSMo, requires law enforcement agencies involved in using the federal forfeiture system under federal law to annually file a copy of the federal form entitled "ACA Form - Equitable Sharing Agreement and Certification" regarding federal seizures and the proceeds received therefrom with the State Auditor's Office (SAO) by February 15th for the previous calendar year. The law provides that any law enforcement agency that intentionally or knowingly fails to comply with the reporting requirement shall be ineligible to receive state or federal funds that would otherwise be paid to such agency for law enforcement, safety, or criminal justice purposes.

The U.S. Departments of Justice and Treasury publication, *Guide to Equitable Sharing for State, Local, and Tribal Law Enforcement Agencies*, states "the Department of Justice and Department of Treasury Asset Forfeiture Programs are, first and foremost, law enforcement programs. They remove the tools of crime from criminal organizations, deprive wrongdoers of the proceeds of their crimes, recover property that may be used to compensate victims, and deter crime." Any state or local law enforcement agency that directly participates in an investigation or prosecution resulting in a federal forfeiture may request an equitable share of the net proceeds of the forfeiture. Equitably shared funds must be used for law enforcement purposes, except as noted in the publication, and must increase or supplement the resources of the receiving law enforcement agency. In addition to reporting requirements under state law, there are also various program mandated accounting, reporting, and audit requirements.

To determine the law enforcement agencies to notify of the required filing with the SAO, we requested information from the Missouri Department of Public Safety (DPS). The DPS compiled a list of law enforcement agencies using information from the Peace Officer Standards and Training program and the Justice Assistance Grants distribution lists. The SAO notified the listed agencies of the requirement to submit a copy of the required form if the agencies participated in the federal forfeiture system. According to DPS personnel, the list does not represent a complete list of all agencies, but includes all agencies with commissioned officers or drug task forces receiving funding from the DPS.

The list we received from the DPS included 644 agencies. An additional agency, not included on the list provided by the DPS, filed a report with the SAO. Another agency, not included on the list provided by the DPS, did not file a report with the SAO but had an ending balance in the prior year. Officials from 14 political subdivisions associated with agencies on the list indicated those agencies were not in operation during 2023. Those agencies are identified on Appendix C. This report indicates agencies that filed copies of the form by February 29, 2024.

Compilation of 2023 Criminal Activity Forfeiture Act Seizures Executive Summary

The following table summarizes these reports.

Reporting Status	Number	Percentage
Number of agencies reporting (Appendix A and B)	124	19.20
Number of agencies not reporting (Appendix C)	522	80.80
Total Possible Reports	646	100.00

A total of 124 agencies filed a copy of the federal form with the SAO. These agencies are identified on Appendixes A and B.

Of the 644 agencies included in the list provided by the DPS, 521 did not provide a copy of the form. Agencies were not required to provide a copy of the form if they did not participate in the federal forfeiture system. These agencies, plus the agency that that was not on the DPS list but had a prior year balance, are identified on Appendix C.

Conclusions regarding compliance cannot be made for non-reporting agencies. This compilation work is not an audit and, as such, no verification was performed as to whether these agencies did or did not participate in the federal forfeiture system.
