SCOTT FITZPATRICK
MISSOURI STATE AUDITOR

Honorable Michael L. Parson, Governor
and
Members of the General Assembly
Jefferson City, Missouri

The primary objective of this compilation is to report the filing status for political subdivisions, other than cities, towns, and villages, required to file a financial report under Section 105.145, RSMo, and 15 CSR 40-3.030. Section 105.145, RSMo, provides that the State Auditor's Office shall notify the Department of Revenue if any political subdivision fails to timely submit a copy of its annual financial report. Due to different filing requirements, a separate report is issued for cities, towns, and villages.

The filing status for the 1,529 political subdivisions required to file a financial report by June 30, 2024, is presented in summary on page 3 and by individual entity in Appendix A. We have not audited the information submitted and, accordingly, do not express an opinion or any other form of assurance on it.

This report also includes the updated filing status for political subdivisions, other than cities, towns, and villages, that filed a financial report in June 2024, after their filing deadline. The filing status for these 10 entities is presented in summary on page 3 and by individual entity in Appendixes B to F.

Executive Summary

Executive Summary

Section 105.145, RSMo, requires the governing body of each political subdivision in the state, except counties and school districts, to prepare and remit to the state auditor an annual report of financial transactions. Rule 15 CSR 40-3.030 requires the financial report to be remitted to the state auditor within 6 months of the end of the political subdivision's fiscal year. The State Auditor's Office posts individual annual financial reports to its website. A searchable link is available at <http://auditor.mo.gov>.

Section 105.145, RSMo, requires the state auditor to notify the Department of Revenue if any political subdivision fails to timely submit a copy of its annual financial report. Any political subdivision that fails to timely submit the annual financial report shall be subject to a fine of \$500 per day upon notice by the Department of Revenue.

This report includes the filing status for the 1,529 political subdivisions, other than cities, towns, and villages, with a fiscal year end of December 31, 2023. Cities, towns, and villages have additional filing requirements and their reporting status is included in a separate report. Of the 1,529 political subdivisions, 1,152 filed an annual financial report timely.

This report also includes the filing status for 10 political subdivisions, other than cities, towns, and villages, that filed their financial report in June 2024, after their filing deadline.
