Honorable Eric R. Greitens, Governor  
and  
Members of the General Assembly  
Jefferson City, Missouri

Section 513.653.1, RSMo, requires law enforcement agencies involved in using the federal forfeiture system under federal law to file a report regarding federal seizures and the proceeds therefrom to the Department of Public Safety and the State Auditor's Office. Although Section 513.653.1, RSMo, only requires my office to receive these reports, my office has compiled the information presented to us by law enforcement agencies. We have not audited the reports submitted and, accordingly, do not express an opinion or any other form of assurance on them, including whether or not an agency is in compliance with the statute. The primary objectives of this compilation were to:

1. Identify the reporting status of law enforcement agencies.
2. Summarize the information reported.

Conclusions regarding compliance cannot be made for law enforcement agencies that did not file a report, but it is likely the majority of these law enforcement agencies did not use the federal forfeiture system during 2016.

## Executive Summary

### Executive Summary

Section 513.653.1, RSMo, requires law enforcement agencies involved in using the federal forfeiture system under federal law to annually file a report regarding federal seizures and the proceeds received therefrom with the Department of Public Safety (DPS) and the State Auditor's Office (SAO). The law provides that the DPS shall not issue funds to any law enforcement agency that fails to comply.

According to the U.S. Department of Justice (DOJ) publication, *Guide to Equitable Sharing for State and Local Law Enforcement Agencies*, the DOJ Asset Forfeiture Program is "a nationwide law enforcement initiative that removes the tools of crime from criminal organizations, deprives wrongdoers of the proceeds of their crimes, recovers property that may be used to compensate victims, and deters crime." Any state or local law enforcement agency that directly participates in an investigation or prosecution resulting in a federal forfeiture may request an equitable share of the net proceeds of the forfeiture. Equitably shared funds must be used for law enforcement purposes, except as noted in the publication, and must increase or supplement the resources of the receiving law enforcement agency. In addition to reporting requirements under state law, there are also various program mandated accounting, reporting, and audit requirements. The U.S. Department of the Treasury also administers an Asset Forfeiture Program for similar purposes and with similar restrictions and requirements.

The DPS compiled a list of law enforcement agencies using information from the Peace Officer Standards and Training (POST) program and the Justice Assistance Grants (JAG) distribution lists, and notified the law enforcement agencies of the requirement to submit reports if the agencies participated in the federal forfeiture system. The notification also included the federal forfeiture report form developed by the DPS. According to DPS personnel, the list does not represent a complete list of all law enforcement agencies, but includes all law enforcement agencies with commissioned officers or drug task forces receiving funding from the DPS.

There are 680 agencies on the DPS list provided to our office. One city reported it did not have local law enforcement in 2016 (see Appendix B). In addition, the DPS indicated one agency included on the list was not a law enforcement agency (see Appendix C). Thus, these 2 agencies were not included in the reporting status. The following table summarizes the 2016 reporting status as of April 3, 2017.

Reporting Status	Number	Percentage
Agencies reporting participation (Appendix A)	146	21.53 %
Agencies reporting no participation (Appendix B)	256	37.76
Number of agencies reporting	402	59.29
Number of agencies not reporting (Appendix C)	276	40.71
Total Possible Reports	678	100.00 %

## Compilation of 2016 Federal Forfeiture Reports Executive Summary

---

Of the 146 agencies reporting participation, 5 agencies failed to report to the SAO, and all 146 agencies reported to the DPS. Reporting details are provided for all reports provided to the SAO, DPS, or both agencies. These agencies are identified on Appendix A.

A total of 256 law enforcement agencies filed reports indicating no participation in the federal forfeiture system. These agencies are identified on Appendix B.

A total of 276 law enforcement agencies did not respond and were not required to respond if they did not participate in the federal forfeiture system. These agencies are identified on Appendix C.

We noted reporting inconsistencies between years for some law enforcement agencies. Six law enforcement agencies identified on Appendix A did not file a federal forfeiture report in 2015 but reported a beginning balance as of January 1, 2016. Also, Appendix D identifies 10 law enforcement agencies that did not file a 2016 federal forfeiture report, but previously reported a December 31, 2015, balance.

Conclusions regarding compliance cannot be made for non-reporting law enforcement agencies. This compilation work is not an audit and as such, no verification was performed as to whether these agencies did or did not participate in the federal forfeiture system.

- A The beginning balance plus receipts minus expenditures does not mathematically agree with the ending balance reported.
- B The beginning balance reported as of January 1, 2016, does not agree with the ending balance reported as of December 31, 2015, as shown in Report No. 2016-034, *Compilation of 2015 Federal Forfeiture Reports*.
- C The beginning balance reported as of January 1, 2016, does not agree with the ending balance reported as of December 31, 2015, as shown in Report No. 2016-034, *Compilation of 2015 Federal Forfeiture Reports*, but agrees with the December 31, 2015, ending balance reported in the law enforcement agency's revised 2015 federal forfeiture report submitted to our office subsequent to release of the compilation report.
- D The beginning balance reported as of January 1, 2016, does not agree with the ending balance reported as of December 31, 2015, in the law enforcement agency's revised 2015 federal forfeiture report submitted after Report No. 2016-034, *Compilation of 2015 Federal Forfeiture Reports* was released. The agency initially reported no participation during 2015.
- E The law enforcement agency did not file a report for 2015 but reported a beginning balance as of January 1, 2016.
- F The DPS provided the SAO a copy of the report submitted to that department because the law enforcement agency did not report to the SAO.
- G Ozarks Drug Enforcement Team was previously Jasper County Drug Task Force.
- H Due to footing errors noted in various law enforcement agency reports, the total beginning balance plus total receipts minus total expenditures does not mathematically agree to the total ending balance.
