Mayor Wayne,

The Missouri State Auditor's Office is in receipt of the ordinance, dated September 6, 2022, requesting the Missouri State Auditor to conduct an audit of the City of Kennett due to concerns over financial practices. The State Auditor has agreed to perform the audit.

We will contact city officials in advance of the audit to discuss the details of the audit process and schedule an entrance conference. As in any audit performed by the State Auditor's Office, concerns expressed to us will be considered; however, the scope of the audit will be determined by us.

If you have any questions or if further information regarding the City of Kennett comes to your attention, please do not hesitate to contact me or the Audit Manager, Pamela Allison, at 573-751-4213.
