Please see below, have we handled these as Sunshine requests in the past?

FYI but my thoughts are that he should be reaching out to the City of Wildwood to ask them for a copy of the response sent to the SAO.

Please provide suggestions on the appropriate response.

Thanks.

Could you please send me us a copy? The news media was inquiring about it and since I filed the complaint awhile ago non action does not sound good. I will need a response by 11:30 am tomorrow. We are meeting with a St Louis area TV crew tomorrow morning at 11:30.

Thank You

Ms Johnson,
These petitions are from canvassing and
online and are aimed at letting the powers in
Jefferson City now that there the City of
Wildwood is not following state and local
governance when it comes awarding
contracts for solid waste and Sunshine Law.
