To the attention of Missouri State Auditors Office Re: Sunshine Law representative/director,

I am requesting documentation or form if available to request records regarding audit under Missouri sunshine law of Greene county affiliates, citizens, constituencies or conservatorships public or private in connection to matters of estate function, trust, or any other financial structure that involves, operates, transmits, or functions in connection to security services, constituent services, and the Missouri State government to include but not limited to audits of financial records, access to assets, benefits, accounts, holdings, medical records, or investment transactions to include trade, barter, or agreements of any type. This request was generated in relation to calendar of the Missouri state court system and a specific criminal court case where the production of records, documents, or otherwise reproduced information benefits the welfare of society and the interest of justice without defect. The request was generated on July 3rd, 2024 connected to the time stamp associated with this email by a specific individual private citizen of the State of Missouri known as Marlin D. Lane born June 12, 1981 SSN# 497-02-3765 not multiple individuals.

Please produce the requested information in paper form. Please also calculate the costs for generating the requested information of the above audits and reply via email with the total to Marlinmax1@outlook.com or submit the calculated total in paper form with an itemized listing and catalogue of records and mail to Marlin D. Lane 212 Washington Ave. West Plains, Mo. 65775.

Respectfully,

Marlin D. Lane
