Mr. Henley (SAO Custodian of Records):

I have been appointed to investigate the closed meeting documents of certain City of Arnold council meetings being turned over to the Missouri State Auditor's Office.

The closed meeting documents were the subject of an ongoing lawsuit between the City of Arnold and the SAO. The lawsuit, which was filed in the Circuit Court of Jefferson County Missouri under case number 25JE-CC00323, sought to have the Court determine which if any documents were to be released to the SAO.

However, prior to the Court ruling on the matter, a subject who the SAO labeled as a "whistleblower" provided the SAO with the documents in question.

I am requesting all records pertaining to how the SAO became in possession of these documents.

More specifically, I am requesting any emails received by the SAO in which these documents may have been attached, to include the sender information. I am also seeking any correspondence by mail in which the SAO received the documents related to the above-mentioned court case.

If further information is needed to assist in locating said records, please advise.

Respectfully,

Maj. Clinton Wooldridge
