λ p	p. Order Tab		
	What information needs to be typed here?	You only need to fill in the blue cells. All other information will roll forward from other worksheet tabs.	No. 6
III	Funds Summary and Prior Year Actual Summary Tabs		
	What information needs to be typed here?	If information is entered correctly on all subsequent tabs, Nothing! This tab contains many protected formulas that will roll the fund names and amounts forward.	No. 11
	Generic fund expenditure amounts are not showing up.	Amounts in rows 36 and 38 of the E tab must agree. The amounts in row 38 will be pulled forward from other cells. You will need to re-enter the row 38 amounts adjacent to the function(s) for which the expenditures pertain (rows 13-35) for rows 36 and 38	No. 11
	The generic fund names appear as #VALUE!	The fund name typed on the generic R (revenue) tab in cell A3 should end with the word "FUND".	No. 11
	The fund name is truncated.	The formulas can only handle fund names with 5 words, including the word "FUND". These cells, however, are not protected. You can type over the formulas to enter longer fund names.	No. 7
R	, SRB, ASSMT, and Generic Sum tabs		
	Cells that contain "0.00" are protected, and cannot be overwritten with actual budget numbers.	That is correct! These cells contain formulas which will update automatically after you enter numbers in other cells. Start with the R or E tab, and save the Sum tab for last.	
	After entering all information, there is a message that "Cash available does not agree with line 1, above".	Your cash reconciliation does not agree. Make sure your prior year actual amounts have been entered correctly on the R and E tabs. You may also need to consider items such as outstanding warrants on the "Adjustments" lines.	No. 13
ìR	, SRB, and ASSMT R and E tabs		
	Can information from the prior year budget be copied into the current budget file?	Yes. Protected cells cannot be pasted over, so you will need to copy and paste small sections at a time. Specifically, do not copy category descriptions or formulas.	No. 9
Зe	neric fund Sum and E tabs		
	The generic fund name in cell A3 cannot be changed.	Change the fund names only on the R (revenues) page tabs in cell A3.	No. 11
	I want to change the tab names at the bottom to something more descriptive.	Double click on the tab and type the new name.	No. 11
	The E tab has many more lines than I need and I don't want to print all of the blank pages.	The E tabs were modified so the Summary by Function section prints on page 1. The Detail of Expenditures categories follow. Therefore, you need only fill out and print the pages needed. There may be enough Detail of Expenditure lines on page 1 for all of your categories to fit on the first page. The following blank pages can be omitted.	No.11
1	The amounts do not carry forward to the Sum, App. Order, All Funds Summary, and/or Prior Year Actual Summary tabs.	Amounts in rows 36 and 38 of the E tab must agree. The amounts in row 38 will be pulled forward from other cells. You will need to re-enter the row 38 amounts adjacent to the function(s) in rows 13-35 for which the expenditures pertain.	No. 11
